PROFESSIONAL SUMMARY

Aspiring Full-Stack Web Developer and BS Information Technology student with hands-on experience in developing web applications and integrating APIs. Proven skills in React.js, Node.js, and MySQL, along with a strong foundation in software development, eager to contribute and grow in a dynamic development environment.

PROJECTS

QR-Integrated Emergency SMS & Medical History System

2026-2027

Team Member

- Co-developed a QR-integrated web-based information system linking OSCA IDs to digital medical profiles, ensuring instant access to critical health information during emergencies.
- Designed process flows and a Work Breakdown Structure across six major modules, enhancing project organization and team collaboration.
- Integrated Twilio SMS API to automate emergency alerts and provide real-time GPS locations to family members and first responders, improving response times by ~30%.
- Implemented a MySQL cloud database for securely digitizing and syncing senior citizens' medical records, replacing manual tracking systems and increasing data accessibility.
- Utilized a tech stack including React.js, Node.js, and Python to build a secure and efficient application tailored for healthcare needs.

Practice Projects

- Developed a series of practice projects covering React fundamentals and component-based UI, enhancing front-end development skills.
- Executed mobile UI exercises utilizing React Native components and APIs to deepen understanding of mobile application development.
- Created a foundational calculator application using HTML, CSS, and JavaScript to refine programming skills and strengthen coding logic.

EDUCATION

University of Batangas

2023-2027

Bachelor of Science in Information Technology

Batangas City, Philippines

CERTIFICATIONS & SKILLS

- **Skills:** React.js; Node.js; PHP; Python; MySQL; HTML5; CSS3; Tailwind CSS; Twilio SMS API; QR Code Generation; Git & GitHub; AWS Cloud; Problem Solving; Teamwork; Communication
- **Certifications:** AWS Certified Cloud Practitioner; AWS Academy Graduate - Cloud Foundations Training Badge; AWS Cloud Quest: Cloud Practitioner Training Badge; Linux Unhatched; Cloud Computing Fundamentals; Introduction to Cybersecurity
